

Erratum

This is a correction of the abstract "A challenging case report of transtibial amputation due to fibular fracture", Acta Marisiensis – Seria Medica 2020;66(2):11, published in the February 2020 supplement 2 of Acta Marisiensis – Seria Medica, where the title is wrong, due to errors of the website that hosted submission system for abstracts. The correct title is presented below:

Management of univentricular congenital heart disease in infants: a case report
